Member Number: \_\_\_\_\_

Transfers and balance payoffs will not result in closure of your other credit cards/loans. You must notify the financial institution directly to request account closure. Transfers will NOT be initiated in excess of your credit limit. Any balance remaining with another financial institution after the balance transfer check is issued will be your responsibility. It is your responsibility to make minimum payments on your other credit cards/loans until the balance(s) have been transferred. All overpayments must be refunded by the other institution.
